

iLEAD

Practical Leadership

iLEAD Zoom Workshops

This leadership programme allows new and existing leaders to participate in a 4 week long programme consisting of 4 x 90 minute zoom sessions and e-learning modules.

The programme includes interactive opportunities to learn some key leadership skills around trust, difficult conversations, engaging the team, going from peer to leader, coaching and remote leadership.

All participants will receive access to the full LearningPlanet e-learning library with workbooks and a copy of the book: Practical Leadership as part of the programme.

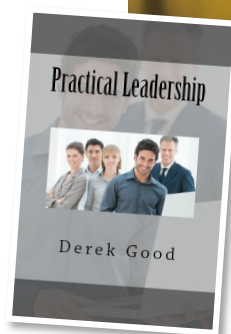

Build your confidence in a new leadership role by understanding core basic leadership skills that you will be able to apply immediately in your roles.
