

# ACTIVITIES WORKSHOP

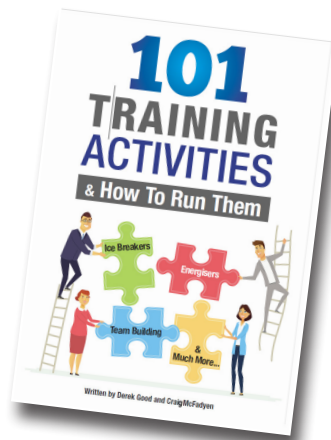

Training Support Team

FOR TRAINERS, TEAM LEADERS, MANAGERS AND COACHES

This unique ground breaking highly interactive one day workshop will include the running of over 20 activities, icebreakers and energisers to engage and motivate your teams and bring fun and meaning to your training sessions, team meetings, induction programmes and coaching sessions.

You will learn the secrets of running successful training activities and short energizers that will create high impact by knowing how to set the scene, give instructions, get them started, control the group and have a meaningful debrief that relates to your session, products, services or business as a whole.

You will walk away with a FREE copy of the book: 101 Training Activities and how to run them and knowledge of how to get started right away worth over \$80!

## TESTIMONIALS

*"Hands down the most interesting, informative and interactive workshop I've been to yet. I've taken so much away from this day and already implemented some of the activities in my coaching sessions. 10/10 would recommend."*

– **Ballance Agri-Nutrients, Tauranga**
